Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on I-80 from east of I-74 to IL 82 at Geneseo will begin on Monday, April 13, 2015. McCarthy Improvement Company is the contractor for the \$8.6 million project to improve the 8 mile section of I-80.

The contractor will be making repairs to the concrete pavement base, milling off sections of the existing bituminous overlays, and resurfacing the roadway. The project is scheduled to be completed by the end of October.

Traffic will be restricted to one lane in the areas where the contractor is working. Work will be scheduled so all lanes are open by 4:30 p.m. each Friday for the weekend.

Drivers should be alert for the lane closures and for slow moving construction vehicles entering and exiting the work areas.

Please slow down and use extreme caution while driving through all work zones.
